Acted as a reviewer of a **paper** submitted for the Balkans Journal of Emerging Trends in Social Sciences – Balkans JETSS (ISSN 2620-164X), the publication year 2021, Vol. 4, published by the Association of Economists and Managers of the Balkans.

Balkans JETSS has the following indexations: Google Scholar, CEEOL (Central and Eastern European Online Library), Index Copernicus World of Journals, ProQuest's Serial Solutions, Summon, Primo Central, Alma, EBSCO's EDS Discovery Service and Knowledge Base, TDNet and OCLC.

The mission of Balkans JETSS is to publish peer-review empirical research papers that test, extend or build theory and contribute to practice. To be published in the Balkans JETSS, a manuscript must make strong empirical and/or theoretical contributions to the subject field. Consequently, preference is given to submissions that test, extend or build strong theoretical frameworks while empirically examining issues with high importance for theory and practice.

More information about the journal is available at the website: <http://www.udekom.org.rs/balkans-jetss>

This confirmation states peer reviewers' voluntary and non-paid commitment to support the free exchange of knowledge in their field of research by acting as a reviewer for an open-access publication.

Editorial Policy - Udekom Balkan publishes scientific papers, professional papers and contributions (reviews, news, announcements, presentations of books, journals and software, results of education and other similar works). All scientific and professional papers are subject to double blind peer review. The association only publishes unpublished scientific and professional papers not offered to another publisher in the same form at the same time. Peer-reviewed articles are published in languages of all former Yugoslav republics and/or in Russian and English.

Association of Economists and Managers of the Balkans does not tolerate plagiarism, data or figure manipulation, knowingly providing incorrect information, copyright infringement, inaccurate author attributions, attempts to inappropriately manipulate the peer review process, conflicts of interest, fraud, and libel.

Open Access and Copyright Issues - Publications of Udekom Balkan have fully open access: immediately freely available to read, download and share, without any charges to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search the full texts of the articles or use in any other legal purpose, without any financial, legal or technical barriers.
